The Club advertises in the weekly Trading Post and in the Breeders Directory of the RNSWCC Journal. Your litter will be advertised in the Rotty Review if one is released around the time you have a litter. When your pups are 8 weeks old they will be removed from the puppy register UNLESS you advise the Club Secretary that you still have pups for sale. Please keep the Club Secretary informed about how your sales are going, ie: how many left to sell, males/females etc. Litters will also be placed on the Club's website so feel free to submit extra information and/or photos to the Secretary.
